ava

What does it take to wake a sleeping teen? The smell of bacon? Pancakes? Then perhaps a large, hard cock will do it, but the universe just doesn't seem to be supplying her any! In a desperate plea to the energies which diffuse and bind us all together, she pleads for a proper manifestation of cock to fill her aching morning pussy.

MY MORNING SEX

Caught with her hand under the covers, Ava reaches out and finds one handy nearby to suck and fuck. Hoping to send out the right vibrations, her moist holes are just waiting for the hard newcomer, should fate deem it so. Perhaps awed by her tribute to morning wood, the universe sent her something to put her a man ready for her mouth and pussy! Now, let's see if she can take a huge cock as easy as she summoned it.

She's All Grown Up

My next-door neighbor gets a job at my office... and shows me just how grown-up she's become

When I left for college, my next-door neighbor, Kelli, was a lanky tangle of knees, elbows, and freckles who could climb a tree or fire a slingshot with the best of them. Now, at 18, she had matured into a gorgeous young lady, with long hair, muscular legs, a firm little ass, and a pert, full-sized pair of titties. It was all I could do to keep from drooling as dad led her into my office.

"A bunch of pigs I have working for me. I give this nice young lady a job working on the loading docks so she can save money for college, and those pigs, they can't keep their minds on their work. All they want to do is sit around and stare like she's some kind of tramp and this is a peep show."

Kelli started to say something, but he cut her off.

"I don't want to hear any more. It's not appropriate for a nice young lady like you to be working out there with a bunch of pigs like that. You can help Victor here with the bills."

Kelli stomped her foot as dad left.

"It's not fair. Just because your loading crew is a bunch of horny old men, I can't work on the dock."

"This is a better job anyhow," I said, trying to peel my eyes away from her luscious sumptuous boobies and the long, smooth legs peeking out from her cut-offs.

She pouted. "But I liked getting Pete all hot and bothered. You should have seen him jerking off in the storage closet. He was pulling on his withered little dick like there was no tomorrow! And Dominic kept rushing over to help every time I bent over. This is, like, so unfair. I never get to have any fun!"

She grinned, exposing that gap-toothed smile I remembered from our childhood games of hide-and-seek.

"You're blushing just like your first summer home from college. Remember when I caught you getting a blow-job from Maggie Berenson in your dad's storage shed?"

She walked over behind my desk as my face went crimson. "Maggie was really loud, even though you had your dick stuffed in her mouth. Halfway down the block you could hear 'Mmmmfff!!! Give me that big dick!!' You're lucky your dad wasn't home!" She grinned. "I can see him hopping up and down yelling 'What kind of pig did I raise for a son!'"

When she put her foot on my leg, I got a glimpse of curly pubic hair peeking out of the leg of her cut-offs. The skintight denim left nothing to my imagination. The outline of her pouty pussy-lips and sweet little hole was plainly visible as she spread her legs to give me a peek.

"You know, I turned 18 last month," she said as she rubbed my throbbing hard-on with her toe. "So

what's stopping you from giving me the same treatment now that I'm legal?"

Before I could come up with an excuse (not that I was looking for one), she leaned over and planted a wet, sloppy kiss on me. Her grip was surprisingly strong as she pulled me close and thrust her tongue down my throat. I responded eagerly, grabbing handfuls of her sweet little ass as she ground her body against mine.

"You never knew the girl next door could do that, did you?" she asked when she finally came up for air. By this time she was sitting on my lap, her legs wrapped around my waist and her firm titties pressed nipple-to-nipple against my chest.

"Well...no," I stammered.

"There were lots of things you never knew about the girl next door." She pulled her shirt over her head, exposing her beautiful breasts to my hungry eyes and hungrier mouth. I reached out to grab one, but she stopped me.

"I like to put on a show."

Raising her arms, she jiggled her breasts not two inches from my face. I stared enraptured at the half dollar-sized, pink-brown nipples gyrating before me, just beyond the range of my lips and tongue. She reached around and took her titties in her hands, tweaking her nipples with her fingers as she ground her crotch against the bulge in my pants.

"I wanted to work at the strip bar downtown. My friend Gina works there, and she makes way more money than I'm making here. But my mom would shit if I did."

"You'd be a natural," I said as she rubbed her nipples against my face, then pulled away before I could get them into my mouth.

"You like this, huh?"

She jumped onto my desk. Last week's bills went sailing onto the carpet, but I didn't care. The only thing on my mind was Kelli's nubile young body as she gyrated on my desk. She bent down, once again keeping her titties just out of my reach, and shook vigorously. Her well-toned breasts jiggled without the faintest trace of sag. Without hesitating, I reached down and unzipped my fly, letting my eight-inch dick free.

"You wanna see more?"

She unsnapped her cut-offs, exposing her nicely trimmed thatch of pubic hair, and danced on my desk with her thumbs in her belt loops. I followed the thin line of hair leading from her bellybutton to her pubes, pumping my dick furiously as her cut-offs dropped to my desk and Kelli stood naked before me.

"What would you like me to do now? Would you like to watch me play with myself?"

That sounded just fine to me, so I sat back and enjoyed the show as she put one leg up in the air and gave me a clear shot of her split beaver. Her pouty pussy-lips stood out bright pink in the moist nest of her bush; a few drops of moisture glistened around the opening of her tight little hole as she explored it with her finger. She slipped one teasing fingertip inside herself, then moved up to diddle the swollen pearl of her clit.

"Yeah...play with your pussy...." I moaned as I stroked my shaft. She complied eagerly, stuffing two fingers in her wet slit and grinding her hips for maximum friction. I was dimly aware of them as she spread her thighs, putting her wide-open pussy right at my eye level. She thrust up, her firm ass bouncing off the desk each time she pumped her fingers into her pussy. The air was filled with the sweet, musky tang of her dripping young pussy as Kelli frigged herself. I couldn't resist any longer and I lurched forward, throwing myself out of my chair and ramming my head squarely between those long, lean legs.

"Oh yeah!!!"

If Kelli had any objections, they evaporated the moment my tongue touched her throbbing love bud. I inhaled deeply, breathing in every molecule of her pussy-scent as I licked her swollen clit and ran the tip of my tongue along the edge of her hole. She cried out and wrapped her legs around my head, pulling me closer to her pussy with a crushing grip. I took her clit between my lips and sucked gently as I slipped one finger into her vise-tight pussy.

She moaned and scrubbed my face with her pussy, rubbing its fleshy folds all over my mouth and tongue. I lapped up every salty-sweet drop of her

love-juices as she writhed against me and drove my finger deeper into her tight love-tunnel.

"Oh yeah... oh yeah... nobody ever did this to me before... it feels so good...."

As I felt Kelli's pussy muscles tighten against my finger, I knew she was on the verge of an orgasm. I slowed down, diverting my attention to her fleshy labia. She pumped her hips on my finger as I nibbled on her clit's hood; I could feel her moist, furry pussy against my knuckles as I tickled her G-spot. She gasped when I slipped two fingers into her well-lubricated hole, then moaned with pleasure as she loosened to accommodate me.

"God, I want to fuck you," I said as I moved away from her pussy and ran a trail of kisses down her sweet, young inner thigh.

"I've never done it before," she said, gasping as I found my way back to her love-bud. "I've let lots of guys look at me, but I never fucked one yet...."

"No better time than the present," I said, then licked her clit furiously. She grabbed my ears, pulling my face into her pussy while she wrapped her legs around my head and squeezed until I thought I would black out. I could feel the spasms in her leg muscles keeping time with my tongue as I brought her to a shuddering, moaning orgasm.

"God, yeah...fuck me, fuck me...." Kelli panted as I threw her legs apart. When I pressed the shaft of my bulging tool against her sopping-wet pussy, I could feel the heat of her lips as she shivered with the last orgasmic aftershocks. Reaching down, I pulled my lucky condom from my wallet and tore it open with a speed that surprised even me.

She put her legs in the air and spread them apart like she was doing warm-up exercises. Even with her pussy stretched to its fullest, I could see that it was going to be a tight fit; the latex-covered head of my tool looked enormous next to her tiny hole. I rubbed her still-sensitive clit with my shaft, enjoying her whimpers of delight, then teased around the wet, warm opening with my dickhead.

"Oh yeah... stick it in me...."

I gently pressed my dick's head against her hole, letting her adjust to it. Her pussy was tight as a vise; I could feel the fleshy resistance as I got my first half-inch inside her.

"Yeah...it feels so good...."

I stroked gently back and forth, letting her adjust to her first encounter with a dick. The air was filled with the hot, musky scent of Kelli's pussy as I slid one, then two inches of my shaft inside her.

"Ow...go slow...." she whimpered.

I fought against the raging lust burning inside me and instead paced myself, pulling back until I was almost out of her love-tunnel and then driving slowly back inside. She squealed with delight as her wet little pussy got more and more used to me and let me deeper inside her hot hole.

"Yeah...it feels so nice, just like I always thought it would...." she said, digging her nails into my back as I forced a third inch of hard dick inside her. She moved up to meet me as her love-tunnel opened. Soon she was wrapping her legs around my waist and pulling me in.

"Fuck me...."

I began moving a little faster, still listening in case I hurt her. She didn't seem to be in any pain at all. On the contrary, she was yelping with pleasure as my shaft rubbed her most sensitive places. Before I knew it, I was balls-deep inside her. I could feel every inch of her hot, vise-like pussy as we bucked together on my desk.

"Yeah...fuck me! Fuck me!"

Her nails dug deep into my back as I began slamming her hard, my balls bouncing off her sweet bush and firm ass with each pounding stroke. The sensation of her tight hole wrapped tightly around my dick was sending me over the edge. Soon I felt that familiar dull throbbing in my balls and knew that I was about to come. As Kelli's pussy tightened and I felt her exploding into another orgasm, I came along with her. We fell together onto the desk, sweating, while yet another pile of bills fell to the floor.

Kelli has been really helpful this summer; she's kept the office organized and provided me with endless fun. It turns out she's starting as a freshman at the college where I'll be attending business school in the fall, so we'll be seeing a lot of each other. That's fine with me: I really like the way that little girl next door grew up.

Kenna James is definitely the sexiest babe in her neighborhood. And she knows it too. When she goes out for an afternoon tan, odds are she'll attract some peeping toms, but why should she be embarrassed. After all, who are people gonna believe, a perv, or a princess.

you cute little tease

So she'll find a shaded area where she can have some fun. She'll strip down and pleasure herself while moaning as quietly as possible. From the moans and groans to the pussy fingering, she leaves the poolside satisfied quite a bit more than anyone else.

mandy

Mandy's man is away for a while, so she asked us to take some sexy pictures of her to send to him. Since she couldn't have the real thing, she pleasured herself with her favorite purple dildo. She dressed up in a cute little number that didn't stay on very long, but she knows those fishnets make her more of a tease.

WISH YOU WERE HERE WITH ME

She pleasured herself with her fingers and then the toy, bringing herself to the edge every time! She loves the feeling of the toy's ridges and how it can reach the spots inside of her that make her moan! After she finished all over it, she thought that she should definitely do this more often!

Give me a ring sometime

The stunning, raven-haired girl was having a powerful but strange effect on Maryellen

I'm a jewelry maker. I do a little pet-sitting and dog-walking to supplement my income, but the bulk of my money comes from selling handcrafted jewelry. I sell some at events like crafts fairs, street fairs, and the like and some through local stores that take pieces of mine on consignment. Friends occasionally host "jewelry parties" for me, as well, at which I sell my creations. I'll never get rich, but I very much enjoy what I do. I'm always on the lookout for new materials to use in my jewelry-crafting—stones, beads, or what-have-you—so when a new wholesaler advertised, and I saw they were only about 40 miles from here, I decided to go check them out. They advertised that they had a showroom and welcomed prospective buyers in person, so I thought I'd go at my first opportunity.

It was a Friday afternoon when I found that opportunity and headed up Kennedy Highway toward the showroom. It was past 3:00, but I figured I'd get there by 4:00 and have an hour to look around. That ought to do it, I figured.

There were two people in the showroom when I got there—a guy wearing a coat, who seemed to be another visitor like me, and a girl with stunning long black hair, dark eyes with very long lashes and thick brows, a thin nose, scarlet lips, and pale skin. Her appearance was exceedingly striking, and I thought she ought to be a model instead of working in a showroom. Tall and thin, yet with curves in all the right places, she looked like she should be posing in jewelry ads, not selling jewelry. Looking at her, I wanted to be her.

Finally the fellow with the coat left, and the saleswoman turned to me. Flashing a warm smile, she apologized for the delay and said her attention was entirely mine now. "I can stay late, too," she added, "if you can't make all your choices by 5:00. Take your time. What can I show you? Oh, by the way, I'm Alina."

As we moved from display case to display case, I was aware of the proximity of Alina's body to mine. She seemed less concerned than most people with keeping a comfortable space between us. Several times she actually brushed against me, apologizing with a lazy insouciance that made it obvious she wasn't at all concerned about her body touching mine that way.

Even when she wasn't touching me, I was acutely aware of her nearness. It was almost as if her body were emitting waves of heat that reached out and pulsed against me. What's more, they seemed to somehow be heating my body as they reached me.

I was reminded of something…or someone…but at first I wasn't aware of who or what it was, only that the sensations were familiar. Somewhere about 20 minutes into the showroom tour, I connected with the memory. And how could I have forgotten?! Carleen was in my dorm during my sophomore year of

college. She transferred to another school in her junior year, and in my freshman year I hadn't been aware of her, but I spent my whole sophomore year acutely aware of her...and of wanting her the way I usually wanted guys.

Was that what I was feeling now for Alina?

I blushed at the thought, and Alina noticed my face flush. "Is it too warm in here for you?" she asked, putting a sympathetic hand on my arm. Her bold touch only made me blush more fiercely. A small smile turned up one corner of her mouth. "Maybe you'd like some ice water?" she offered.

Though I wasn't really thirsty, I accepted because it was easier than remembering how to say No. When Alina pointed out that it was now past 5:30 and asked if I'd like to join her at a nearby place for something stronger than ice water, I still didn't remember how to say No. She wrote up my order, and I followed her car with mine to a club, where she led me to a table and we ordered drinks.

It was only after that that I realized all the patrons of the establishment were female. And only after that realization did I come to another: that some of the girls there were holding hands or stroking each other. What kind of place was this?!

That was when I felt Alina's now-shoeless toes stroking my calf. As I watched two girls exchange a scorching kiss in a secluded booth, Alina's exploring toes, nylon-covered and very bold, worked their way determinedly up my leg. Suddenly my panties were more than just damp. Suddenly I was shivering. Suddenly I felt totally out of control.

I had heard about places like this. I had wondered about places like this. But I had never been in such a place. Now here I was, with a stunning lady who apparently thought I was a lesbian...and I didn't want to tell her she was wrong.

Or maybe she wasn't. Well, I'm not a lesbian... but maybe, I thought, I'm bi?

When she reached across and planted her lips softly but determinedly on mine, I found myself responding to the kiss, parting my lips, seeking her tongue, welcoming it, and then echoing her motions with my own tongue. Then her hand was on my thigh, lightly stroking, teasing. She made no attempt to reach my crotch...and I found myself wanting her to.

"Let's finish these drinks and get back to my place," she said, her voice even huskier than its usual low register.

At Alina's house, she undressed me and then herself, licking my belly while her fingertips trailed up and down my thighs. She was quite a tease, licking from just at the base of each breast down to my pubic patch without ever quite hitting paydirt. I was standing naked beside the bed, and my legs were feeling distinctly wobbly. Finally I had to break away from her and sit down on the bed. She pushed me into a lying-down position and crouched on hands and knees alongside my midriff.

"Nice. Lovely," she said, gazing at my breasts. Then she bent to kiss one coral nipple, her lips barely brushing the suddenly-stiff tip.

"Suck it," I croaked hoarsely. "Lick it. Do something to it."

She chuckled but complied, taking the nipple between her teeth and scraping lightly at the sides, pulling it, teasing it, then unexpectedly darting her tongue out to lick it. Releasing my nipple with her teeth, she concentrated on swirling her tongue around the promontory, tempting my body, turning on a veritable faucet between my legs.

The odor of my pussy wafted up to my nose. It caught Alina's attention too. "Mmmmm," she purred, dipping a finger unerringly into my slit and bringing it out glistening with the juices that coated it. She took a loud slurp at her finger, which meant removing her tongue from my nipple. Though I mourned the loss of her mouth from my breast, I felt a strange thrill course through me at the sight of her relishing the taste of my juices.

"Your turn," she said. "Taste yourself." And she put her finger back into my slit, deliberately dragging it through my slushy crevice slowly and teasingly before removing it and offering my juices to my lips. I stuck out my tongue, not at all hesitant, and licked her finger clean of my essence.

"Now taste me," she said, selecting a different finger to drag through her slit before bringing it out,

BLAIR-NTS-12

just as slick and sticky and gleaming, and offering the finger to my lips. Unhesitatingly I licked it clean, my pussy welling with a fresh supply of sauce as I tasted Alina's musk on her fingers and became aware that we tasted different from each other. I beelined for her slit and drew my finger through the warm wetness, feeling the thick, slick juices coat my finger liberally. Her warm, fragrant sauce tasted even better from my own finger, and I quickly lapped that finger clean and returned for more. When I did, I became aware of how swollen and elongated her clit had become, and I couldn't resist twiddling it a bit. A bit led to a bit more, and soon I was full-out frigging her pulsating promontory.

Alina sighed as her body tensed with want. Surprising myself, I told her, "Lie down and let me go down on you." Then I scootched over to make room for her, and she lay next to me. I got up on my hands and knees between her legs and extended my tongue, touching down first on her thighs and taking my sweet time working my way up toward her fragrant, soft puff of pubies.

Alina's body tensed, twisted, and arched as my tongue finally made contact with one puffy, lust-swollen labe. Closing my teeth around the tender tissues, I chewed lightly on her lovelip while she squirmed in the throes of all-encompassing need. I switched to the other labe and gave it equal treatment, but the fumes from her overwrought pussy kept drilling deep into my senses as they speared their way up my nostrils, and I gave in to temptation before she even got a chance to beg me. Dropping her labes in favor of her clit, I thrust out my tongue and went questing.

It wasn't hard to find. Sticking up proud and needful, eager for attention, her clit was pink and slippery and totally obscene—and wonderful. I tickled at the tip with my tonguetip, then took long, swooping strokes across it. Gradually my strokes became tighter and tighter, shorter and shorter, till I was drilling her with precision and with intensity.

Alina muttered some mumbled phrases that were totally incoherent in their garbled passion but that clearly meant she was enjoying what I was doing yet was in need of my completing her quickly. I turned up the pressure on her by thrusting three fingers deep up inside her pussy pocket and jamming them in and out of her as I continued to lick her quivering clit.

Then I reached up and grasped one of her nipples, tweaking it insistently as I continued to lap at her ready-to-explode clit. My own clit was nearly ready to explode too, though nobody was touching it. I felt myself quivering near the edge of orgasm, turned on incredibly by lapping my first-ever pussy. Moving a bit to the side, I positioned myself over one of Alina's legs and dropped down so I was riding that leg, then began to grind shamelessly against it as I ate her out.

My clit made contact with her calf's hard bone, and as I lapped at her clit I fucked her leg like a humping dog. We both got off simultaneously, Alina's pussy going off in my face while mine shattered into a million shards of cut glass as a tremendous explosion took possession of my body.

When Alina could talk again, she said, "I owe you one."

"I just got off," I said, surprised that she didn't realize it.

"I know," she explained, "but not the way I did. Let me get myself together and I'll give you the tonguing you deserve."

"Then I'll be one ahead of you again," I reasoned.

"And won't we have fun playing catch-up all night," she chuckled.

As I was leaving, hours later, Alina said, "Give me a ring sometime next week."

"Beaded or turquoise?" I teased, alluding to my jewelry-making.

"Would you like me to deliver your order personally?" Alina asked with a twinkle in her eye.

"Only if you'll accept a suitable tip for your services," I replied, my own eyes sparkling.

"The tip of your clit will do fine," she answered.

The tip of my clit was throbbing all the way home as I replayed the evening in my mind. I could hardly wait for the order's delivery. I decided I'd have to place a lot of orders with Alina's company from now on...so there'd be plenty of personal deliveries!

tera

Tera loves to get down and dirty. Her mouth always drives her man crazy! While the sex itself is fantastic, she just can't get enough of the feeling of sucking dick. And she takes it well! After she finishes gulping down his cock, it slips right into her tight pussy. And she knows how to work her body to bring her man the most sensual pleasure.

GET THAT INTO MY MOUTH

No position tires her out, and her libido makes her a force to keep up with. Of course, she has to have her man finish in her mouth. He surely wanted to do it earlier, but holding out till he could pleasure her pussy made her feel that much better!

marley

there was a rumor going around campus that my friend Bailey told me about that this teaching assistant to Mr. Mason, Preston, had a big cock. I'm not sure how she got her information because he was pretty quiet and reserved. Apparently she heard of it from a girlfriend of hers that said she "did him." A few weeks later, at a frat and sorority mixer, her was there, chaperoning.

UNDRESSED TO THRILL

Dressed in a dark business suit with a sharply pressed white shirt, he looked HOT! I gave him a casual 'hello' as I walked by to get a drink from the bar. He came over to refill his and started up a conversation asking if I was in one of his classes. I said 'No' and he started hitting on me hard. Next thing I know my jaw dropped in amazement as he took his cock out. It wasn't long after until I was bouncing on it.
